

FHAPA Edge&TA Branch 107 Antique Tractor Pulling Rules

DIV I (Division One – Farm Stock) Rules:

This division is designed for fully stock farm tractors, all parts must be OEM, or OEM replacement.

This class is designated as you drive it in from the field, pull the sled, then drive it back into the field to go back to work.

- All Rules in the General Rules.
- **SPEED:** 3 MPH in 1st or 2nd Gear. No Torque Shifting allowed.
- **The Pull:**
 - While pulling the front wheels of the tractor must not exceed 16” from the ground.
 - A chain device will be used to determine the height.
 - Sled operator will provide the chain device.
- **Tractor:**
 - Tractors must have stock engine, frames, transmission, rear end and axles housing or manufacturer’s replacement.
- **Engine:**
 - Tractors may not exceed 100 HP.
 - Gasoline, Diesel, Kerosene, or LP fuels Only.
 - No alcohol, airplane, or nitrous fuels may be used in tractors.
 - Tractors must run the fuel they were built for.
 - Example: You cannot run a diesel tractor on gasoline or LP.
 - Tractors may not use electronic ignition systems.
 - Electronic pickup can be added to the inside of magneto or distributor.
 - Magneto or Distributor must maintain stock appearance on the outside.
- **Tires & Wheels:**
 - NO CUT tires.
 - Maximum tire size is 38”.
 - Tractors tires and wheels must be factory original in size, style, and type.
- **Draw Bar:**
 - Tractors must use stock hitches.
 - Maximum hitch height is 20” for rubber tires & 16” for steel wheels.
 - Minimum hitch length is 16” for rubber tires & 18” for steel wheels.
 - Hitches & Drawbars must be stationary in all directions.
 - Clevis’s may be used. They can be bolted or pinned to the drawbar.
 - Crawler Tractors must use standard hitch. No Modifications allowed.
- **The Weights:**
 - Suitcase weights are not permitted; factory weights are permitted though. If the tractor had factory wheel or other style weights, they may be used, but must be mounted per manufacturer’s recommendations.

Rules will be updated and changed as needed for safety and other needs. Please check our website @ www.fhapa.org anytime to verify you have the newest set of rules.
