

# FHAPA Edge&TA Branch 107 Antique Tractor Pulling Rules

## DIV II (Division Two – Competitive Stock) Rules:

This division is designed for near stock tractors, piston kits, etc.

- All Rules in the General Rules.
- SPEED: 3 MPH. No Torque Shifting allowed.
- **The Tractor:**
  - Tractors must have stock engine, frames, transmission, rear end and axles housing or manufacturer's replacement.
- **The Engine:**
  - Naturally aspirated, Exceptions: Oliver 99 GM
  - Tractors must not exceed manufacturer's recommended RPM by 10%.
  - Gasoline, Diesel, Kerosene, or LP fuels Only.
  - No alcohol, airplane, or nitrous fuels may be used in tractors.
  - Tractors must run the fuel they were built for.
    - Example: You cannot run a diesel tractor on gasoline or LP.
  - Tractors may not use electronic ignition systems.
    - Electronic pickup can be added to the inside of magneto or distributor.
    - Magneto or Distributor must maintain stock appearance on the outside.
- **Draw Bar:**
  - Maximum hitch height is 18" from the ground.
  - Minimum hitch length is 18" from the center of the axle.
- **Wheelie Bars:**
  - Wheelie bars recommended for this class but not required.
    - If you have wheelie bars, they must meet the standards as defined in the general rules.
    - If you do not have wheelie bars, then a chain device will be required.
      - While pulling the front wheels of the tractor must not exceed 16" from the ground.
      - A chain device will be used to determine the height.
      - Sled operator will provide the chain device.
- **Tires & Wheels:**
  - Any cut on tires allowed. No Radials, no steel wheels.
  - Maximum tire size is 38".
  - Tires must be on rim width not exceeding the tires manufacturer's recommended width.
- **Weights:**
  - Custom made weight brackets are permitted. They must have a stop on the end of the bracket.
  - Front weight bracket must not extend more than 11' from the center of the rear axle.
  - Rear weights may not extend beyond the rear of the tire.

Rules will be updated and changed as needed for safety and other needs. Please check our website @ [www.fhapa.org](http://www.fhapa.org) anytime to verify you have the newest set of rules.
