November-December 2026

JOIN US AT THE EMPORIA CHRISTMAS PARADE

Saturday, Dec. 5 at 6:00 p.m.

This is a big change from previous years as it used to be on a Tuesday evening at the beginning of December. This change was to launch an entire week of holiday happenings.

The theme this year is "250 Years Under the Christmas Tree".

The parade will be discussed at the November meeting.

Your Opinion is needed!

We will be planning for 2027 at the November meeting. We need as many members as possible. We will be discussing:

- The Calendar
- Possible places to have pulls
- Repairs needed on equipment
- Suggestions or ideas

Tractor Drive-October 17th

Only one tractor came for the drive! John Rice is faithful! Bill Wood was going to drive his tractor over, but it began to run rough. We did have 3 trucks and the porta-potty! Maybe next year we can make it a truck drive!

We all ended up in the house visiting. It was a good time!

- Facebook for Early Day Gas Engine and Tractor Association or visit the page through EDGETA.com
- Tractor Pull Rules The Board is in the process of updating the Tractor Pull Rules. Be sure to check with your Regional Director and the website to keep up to date.
- Safety, Finances and Dues Thank you everyone for having another safe year with no accidents. This absolutely helps keep our insurance rates as low as possible. That being said, we are in good shape financially and are able to keep the member dues the same next year as they have been for the last few years. $20 per member for National dues for the 2027-2028 year which starts April 15th of 2027.
- **Dues for 2027-28 are due in April, so we will begin collecting dues in March.**

It's one of seven ever made and made especially for a tree farm in Pennsylvania.

Our thoughts are with the family of Dennis Schroeder.

Dennis was a longtime member of FHAPA. He passed away Sept. 15.

We wish everyone a Merry Christmas!

Enjoy a safe holiday!

See you all in 2027.
